WHEN YOU INTERACT WITH LILLA STADEN SUPPORT, OPEN A SUPPORT TICKET, YOU ACCEPT THIS AGREEMENT AND THEREFORE ADHERE TO THE FOLLOWING TERMS AND CONDITIONS.

2a. PROFESSIONAL CONDUCT

We ask that any/all interactions with support is through effective, respectful and concise communication. We understand that certain situations can be stressful, but we consistently make an effort to resolve matters efficiently and effectively.

Disrespect, harassment, threats, or inappropriate behavior toward staff will result in your ticket being immediately closed.

All messages, attachments, and information you share with our staff are recorded and stored. These may be used internally for training, moderation, or—if necessary—shared with authorities in the event of serious violations.

2b. TICKET SUBMISSION RULES

Do not spam our inbox. Excessive messages slow down response times for everyone.

If you do not receive a response within 24 hours, you may send one follow-up message.

Do not submit more than two tickets for the same issue—additional tickets will be automatically closed.

We may respond outside our listed support hours depending on staff availability.

2c. BAN APPEALS

If you have been banned, understand that it is for a reason. Ban appeals will be reviewed carefully but leniency should not be expected.

If you believe you were banned by mistake, please provide clear and valid evidence.

In some cases, evidence may not be reviewed if the ban was due to a severe policy violation.

2d. REPORTS & FEEDBACK

Our support system can also be used for major bug reports, game-breaking issues, or constructive feedback.

Please include as much detail as possible when reporting a bug or issue (screenshots, steps to replicate, etc.).

2e. ENFORCEMENT

We reserve the right to revoke your support access if you break these rules.

We also reserve the right to remove you from our game/group if your actions violate our policies.
